

## Member Survey

On behalf of Handbell Musicians of America, we are asking you, our member, to share your views regarding the benefits and activities of the Guild. Your individual answers to the survey will be completely **confidential**. They will be aggregated with responses received from other Handbell Musicians of America members, and presented to our Board for guidance as they make decisions about the Guild's future direction. Your input is essential as we seek to improve service to you and craft relevant programs that will meet your needs. The survey should take about 15 minutes of your time. **Please return the completed survey no later than May 28, 2012.**
