### **A special message from HMA Past President and Legacy Society member Beth Judd**

Enabling the future – that's why I chose to be a part of the Legacy Society and name AGEHR/Handbell Musicians of America in my will as a recipient of a portion of my estate.

I have received so much from the organization from the time I began 47 years ago as a young ringer through today as I lead my own choirs and have the wonderful opportunity to teach and conduct and learn from other ringers and conductors. It is my sincere hope that Handbell Musicians of America will continue to provide significant opportunities for the advancement of handbell/ handchime ringing in this country for many years to come.

I have actively invested in this hope through the Legacy Society and additional donations beyond my annual dues and I encourage you to do the same. Enable the future along with me!
